

# ***READY FOR THE STAGE!***

## *How to WEAR your HAIR*

**Wear your hair, just like you see in the picture above! Here are step-by-step instructions how to create this look:**

1. Start with hair that is slightly wet.
2. Part dancer's hair on their left side (sweeping to the right).
3. Pull hair back in a low ponytail (at base of neck).
4. Use hair gel/hairspray to smooth any loose ends. Use bobby pins, if needed.
5. Make sure hair tie matches hair color.
6. Pack all hair supplies the day of the show, in case touch ups are needed.
