

DanceVibe Costume Payment Plan

This year we are breaking down your costume fee into 3 easy payments! These payments only cover the cost(s) of your dancer's costume(s). Additional items such as shoes, tights, makeup & accessories may be required. These additional item(s) will be your responsibility to obtain and purchase and are not reflected in your *Costume Payment Plan*.

The breakdown of your payment plan is listed below by month. You may fill this out for your records:

1ST PAYMENT: January 15th @ \$20/routine X _____ = _____
of routines Total Amount Due

2ND PAYMENT: February 15th @ \$20/routine X _____ = _____
of routines Total Amount Due

FINAL PAYMENT: April 15th = _____
Remaining Balance Due

We thank you, in advance, for submitting your payments on time. Should you submit any costume payment after April 15th, there is a \$10 late fee. Your dancer will not receive any of her costumes until all costumes have been paid in full. If your costume balance has not been paid in full by Thursday, May 24th (the last official day of dance classes), your child WILL NOT be permitted to participate in our concert.

Costume payments may be accepted in the form of check, cash, or credit card. For your convenience, we have included the credit card authorization form for costume payments below.
