About DanceVibe

DanceVibe is a dance studio founded in 2005 by owners Lauren Stephenson and Allyson Severino. DanceVibe sets itself apart from other studios because it has something for everyone, offering four unique programs designed for the beginner student to the experienced dancer. These programs include Preschool, Recreational, Vibe, and a Pre-Professional Company. Each program offers a diverse selection of dance styles so that each dancer will have the most well-rounded dance education possible. At the end of our 2011-2012 season, dancers will have the opportunity to perform in our end-of-year concert. This concert will be held on Saturday, June 2nd, 2012, at 7:00 pm at East Pennsboro High School.

DanceVibe Sponsors

DanceVibe's end-of-year concert is a wonderful opportunity for our dancers to showcase their talents to their family and friends. In order to put on a fantastic concert, many elements are necessary- months of time and commitment from each dancer, a stage, music, lights, costumes, props, dance shoes, programs...and the list goes on!

Sponsorship opportunities are available to those businesses or individuals that wish to help defray the expenses associated with these elements listed above. Sponsorships can be designated to an individual dancer or to the studio's concert fund. Every dollar given goes directly to our dancers or to putting on the concert. The following benefits are available when you become a DanceVibe Sponsor:
