

DanceVibe Father-Daughter Dance

This year, we are starting a new tradition featuring a Father-Daughter dance in our concert! All DanceVibe dancers are invited to participate in the Father-Daughter dance routine! Grab dad (or uncles, grandpas, friends, etc. welcome in dad's place) and get ready for a memorable experience!

The Father-Daughter dance is a wonderful opportunity for dads to spend quality time with their daughters. Together they will learn a dance that they will perform during the June concert. Rehearsals are mandatory.

A message from one dad who performed with his daughter:

"The day seemed to fly by. When I was standing in the wings, waiting to go on with Emily, I was trying to sear that moment in my mind forever as a treasured memory. Practicing and then performing with Emily has been one of the most enjoyable and proudest moments I have had with my daughter, EVER."~ Mike

There will be three practices for this routine. Attendance is mandatory for all rehearsals.
