## NEW!!! Daddy/Daughter Dance!!!

This year, we are starting a new tradition featuring a Daddy/Daughter dance in our concert! The Daddy/Daughter dance is a wonderful opportunity for Dad's to spend quality time with their daughters. Together they will learn a dance that they will perform during the June concert. This dance is open to any of our dancers and their dads. Rehearsals are mandatory. More information coming out with your concert contracts next week.

A message from one dad who performed with his daughter: *"The day seemed to fly by. When I was standing in the wings, waiting to go on with Emily, I was trying to sear that moment in my mind forever as a treasured memory. Practicing and then performing with Emily has been one of the most enjoyable and proudest moments I have had with my daughter, EVER."* - Mike
