

# VIBE PROGRAM & COMPANY

## OUR MISSION

Elevate your technique. Refine your artistry. Unleash your full potential. Our mission has and always will be to educate our dancers in the art of dance & life beyond the studio. We train our dancers to strive for excellence in all that they do. Everyone that enters our studio is expected to display good character, incredible work ethic, stellar discipline & respect for themselves & others. This is what makes us unique & our dancers stand out.

## ABOUT VIBE

The VIBE program offers advanced training for motivated, disciplined dancers ages 7 & up. Classes are fast-paced & designed to elevate technique, artistry, athleticism, & mental agility. Previous dance experience is required. Acceptance into our VIBE program is by invitation only. New students must audition for placement. Placement is determined by a student's level of technique & maturity not by age.

## ABOUT COMPANY

For dancers seeking more training & performance opportunities, DanceVibe offers a competitive dance company. Company dancers attend multiple competitions & conventions throughout the year. DanceVibe's award-winning company is the longest running competition dance company in the area. Being part of our company will accelerate one's training, technique & artistry while developing an understanding of teamwork, commitment, goal setting, & work ethic. Our company is open to dancers ages 7 & up. Invitation or audition are required to participate. All members of our company must also be enrolled in our VIBE program.

## HOW TO AUDITION

All new students must audition. Email us at **INFO@DANCEVIBE.NET** to start the audition process. Current students in our Children's Program do not need to audition. These students are invited into our VIBE & Company programs based on teacher recommendation. In order to receive a recommendation dancers must display discipline, a great attitude, strong work ethic & great attendance in class.
